

Make a *Difference* in Someone's Life!

Application opens
April 22nd, 2024!

Jump-start your career and enroll in BJC HealthCare and St. Charles Community College's accelerated Patient Care Technician training program. Combined with classroom instruction and clinical training, you will gain the skills required to begin your career as a full-time Patient Care Technician at BJC HealthCare. Training satisfies the Missouri Department of Health and Senior Services requirements for Unlicensed Assistive Personnel.

TRAINING SCHEDULE

DATES: June 24th-August 9th

Hybrid Online Classroom/On-Campus Lab Training

- Online class: Taught through Canvas, so students have 24/7 access to materials
- On-Campus Labs: One 8-hour day every other week from 8:30am-3:30pm
- Clinical Practice - 4 Weeks
- Three 12-hour clinical shifts per clinical week at one pre-determined location—Barnes Jewish St. Peters Hospital, Progress West Hospital, or Christian Hospital
- Clinical dates communicated to applicants upon hire

CURRENT ELIGIBILITY

You must meet the following requirements for enrollment into PCT program:

- Be at least 18 years old
- Have a high school diploma or equivalent
- Demonstrate academic and career readiness
- Complete interviews with BJC Healthcare leadership
- Pass a criminal background check, drug screen panel, and physical exam with documented proof of immunization or titers

PROGRAM HIGHLIGHTS

- Qualified individuals selected for the program will be hired by BJC Healthcare
- Tuition is paid by BJC Healthcare upon commitment to 12 months of employment
- Wage starts at \$15 per hour
- Paid hourly wage while in program
- Hands-on clinical training

BJC HEALTHCARE ADVANTAGES

BJC HealthCare is committed to strengthening the engagement of employees by creating a positive work environment that fosters open communications and productive relationships between our people and our leaders. BJC HealthCare is committed to helping team members develop and focus on their career growth. In fact, last year 40 percent of open roles across BJC were filled by internal candidates.
